May Newsletter 2007

From the desk of the Superintendent:

Welcome to May 2007 and the end of another great school year for the Ponca Public School District. Commencement exercises are scheduled for Friday, May 11th, with our last day for all students on Wednesday, May 23rd. While this is an exciting time for all students, it is especially so for our graduating seniors. As their graduation approaches, they are not only looking to their future and dreaming of what may be in store for them, but they are also beginning to reflect on their days and years spent in our school.

We, as parents and teachers, must have confidence in our young people as they advance to this next phase of their life. As our presence and responsibilities in their lives diminish, we must have the courage to step back and allow them to test their newly gained, and earned, independence. Will they make some mistakes? Yes, they will, but so have we all. We hope that there will be many more successes in their lives, than mistakes. On behalf of the teachers, administration, school board, and staff at Ponca Public School, our most sincere congratulations to the Class of 2007, and their parents. I also want to remind our graduates that your association with our school does not end with your commencement exercises. You are a part of our school system for life. Our interest in you and your future does not end when you walk across the stage. Should you ever need assistance in your future endeavors, please do not hesitate to stop in or give us a call.

This is also a great opportunity for me to personally say “thank you” to all of you who have made my first year here at Ponca very rewarding and enjoyable. Your support of our school and community, on a daily and ongoing basis, is an attribute to your character. In a time when the importance of family and a sense of “community” is so critical, we all need to take a minute to appreciate the community in which we live. The support, assistance, and reinforcement the school district receives from our community is a tribute to each and all of you! Our school and community would and could not prosper without your commitment.

Your support and commitment will never be more important, or needed, as the school district moves forward in these next few years. Constraints have, and will continue to, force the district to look at measures to be more efficient with money, faculty and staff, and utilization of existing facilities. Some of these measures may be inconvenient, and unpopular, as they may mean fewer faculty/staff or reduced opportunities for our students. Even in the face of reductions or cuts, your board of education and administration are committed to providing the highest quality of education that our students deserve.

While most of the students, faculty and staff are out of the building during June, July, and early August, several of us are will be in the building throughout the summer months. Do not hesitate to stop in, or call as any questions or concerns may arise. This has been a terrific year at Ponca Public Schools with some outstanding accomplishments coming as the result of an outstanding senior class. Have an equally terrific and safe summer 2007.

William F. Thompson

LUNCH ACCOUNTS

Please try to close-out your family lunch account at the end of the school year. If you need to add money to your account, please send only enough for the remainder of the year. With our accounting system and with the family accounts we now use, money that is left in your account will remain there and will be carried over for the next school year. We would prefer, however, that you try to spend all of the money that is in your account so we can close the account for the summer. Unless a family is moving out of the area and/or the students will not be returning to Ponca School, we will not issue refunds.

Have a safe Summer Vacation

From the Principal's Pen....Ms. Rinas

Each spring the "Best of Class" programming appears on KCAU-TV. The "Best of Class" honors the top students from high schools in Nebraska, South Dakota and Iowa. These students are featured on KCAU-TV throughout the graduation season. This year look for senior, Zachary Kramper as he represents Ponca School's "Best of Class". Congratulations Zachary for achieving this honor!

The 2006-07 Academic Honors Program is scheduled for 7:30 p.m. on Monday, May 7. Students in grades 7-12 will be recognized for their achievements in academics, FBLA, National Honor Society, Student Council, and as class officers. Please join us in honoring our students and congratulating them for their dedication and achievements throughout this school year.

Congratulations to our instrumental and choral music students and directors on their outstanding performances at the District Music Contest held April 20, at Wayne State College! This year the music students earned a one rating (the highest rating possible) in concert band, concert chorus, Girls Glee, Swing Choir and Jazz Band. There also were several instrumental and vocal solos and small groups that earned a rating of one.

Check-out the semester testing schedule printed in this newsletter. Semester tests will be administered May 21, 22, and 23. Students in grades 9-11 who have an 85% or better grade average in a class and have not exceeded the allowable eight absences for second semester are exempt from writing semester tests in the qualified classes. During semester testing days, students who meet the criteria may be released from their semester testing periods with a parental note. Grades 9-11 students may also be released from study halls with parental permission, during semester testing days.

On Friday, May 11, the graduation ceremony for the class of 2007 will begin at 7:00 p.m. Members of the class are commended for their academic and activity achievements and wished a bright future as they begin their life outside of Ponca School.

CONGRATULATIONS!!

Prom 2007

Beginning with a Grand March held at Ponca High School, Juniors & Seniors with their escorts/dates lined up for all to admire their attire, glamour & glitz. Emcee for the event was Mrs. Christy Schweers. The 2007 Junior-Senior Prom was held at the Ponca State Park on Saturday, April 21. The theme & decorations were of a Las Vegas theme. Following the 2007 Junior-Senior Prom dance, students were entertained at Long Lines Family Rec. Center in Sioux City at the annual After-Prom Party. The students were served Pizza Hut pizza and pop, took the challenge of the rock climbing wall, courts and game tables and last but not least, students were entertained by a hypnotist. Drawings were held for great prizes. The After-Prom party is sponsored by parents for the benefit of our students to provide a safe, memorable evening for our students. A VERY SINCERE THANK YOU TO EVERYONE (area businesses, community members, parents) WHO SUPPORTED AND MADE THIS EVENING POSSIBLE FOR OUR STUDENTS.
