

Editing and Modifying Student and Parent Data

1. Search for student on the start page of powerschool---select student
2. Under Information on the left frame there are different screens that you can edit:

[Addresses](#)

[Custom Screens](#)---parent information and emergency contacts

[Demographics View](#)

[Demographics Modify](#)

[Emergency/Medical](#)

[Family](#)

[Modify Info](#)

[Other Information](#)

[Parents/Guardian](#)

[Photo](#)

[State/Province - NE](#)

[Transportation](#)

3. Type in new information and submit

Note: If you do not submit after making changes the information will not be changed.
