Welcome to May 2011 and the end of another great school year. Commencement exercises are scheduled for **Friday, May 13th, at 7:00 p.m. in the high school gymnasium.** School will be dismissed at **1:30 p.m. on the 13th.** On behalf of the teachers, administration, school board and staff at Ponca Public Schools, I extend our most sincere congratulations to our graduating seniors and their parents. I also want to remind our graduates that your association with our school does not end with commencement exercises. You are part of our school system and should you ever need assistance in your future endeavors, please do not hesitate to stop in or give us a call.

Our last day of attendance for all students will be **Tuesday, May 24th, with a 1:30 p.m. dismissal.**

The first day of school last August saw the start of Phase I construction on our new high school facility. Now, at the end of the school year, we see that this phase of the project is near completion. When school time rolls around next August, students should have plenty of motivation to return, as they will be the first classes in Ponca's new high school. For our graduating seniors, at least they can say they were the last to graduate from the old building.

Saturday, May 28th, will be a day where people can help retire the old building, and then tour the new. The District will hold an auction on the 28th to sell equipment, furniture, and appliances that will not be moved to the new building. The auction is slated to begin at 9:00am. Additional details regarding the auction, with pictures of specific items, can be found on the district webpage, www.poncaschool.org, under the heading of "Auction."

At 1:00pm, the afternoon of the 28th, the District will host an Open House for the new high school building. Some construction remnants may still be visible, but for the most part, the high school building phase of our construction project, will be mostly completed. The public is welcome to tour the building, visit classrooms, and get a general impression of what kids will see next August. Elementary and secondary student council members will serve as hosts and guides for the day.

As this will be my last newsletter article, I want to thank everyone in the Ponca school community for the support you have provided to your district during these past five years. The issues of Jackson reorganization and the \$9.5 million bond referendum may not have been easy, but were accepted by the community largely because it was what was best for our students. More recently, the initiatives within the school community to provide enhancements for the fine arts and the community sports complex are prime examples of community involvement and support. You have made my 5 years here very enjoyable, and very "short."

*Thank You,
William F. Thompson*

NOTES FROM MS. RINAS....

Scholarship, leadership, character, and service are the qualities looked for in the individuals selected for membership in National Honor Society. On April 25, eleven young men and women were inducted into the Ponca chapter of the National Honor Society. Congratulations are extended to new inductees, Allison Pick, Katie Anderson, Jesse Walsh, Allie Albrecht, Samantha Gill, Rachel Krause, Zachery Kvidera, Laikyn Libby, Heather Lieber, Christiana O'Neill, Krystal Richards, Dillon Rickett, John Stark, and Patrick Watchorn.

Each spring the "Best of Class" programming appears on KCAU-TV. The "Best of Class" honors the top students from high schools in Nebraska, South Dakota and Iowa. These students are featured on KCAU-TV throughout the graduation season. This year look for senior, Kash Echtenkamp as he represents Ponca School's "Best of Class". Congratulations Kash for achieving this honor!

The 7-12 Academic Honors Program is scheduled for 7:00 p.m. on Thursday, May 5, 2011. Students in grades 7-12 will be recognized for their achievements in academics, FBLA, National Honor Society, Student Council, and as class officers. Please join us in honoring our students and congratulating them for their hard work and achievements throughout this school year.

Students will write semester tests on May 23 and 24. Students in grades 9-11 who have an 85% or better grade average in a class and have not exceeded the allowable eight absences for second semester are exempt from writing semester tests in the qualified classes.

During semester testing days, 9-11 students who meet the criteria may be released from their semester testing periods with a parental note. Grades 9-11 students may also be released from study halls with parental permission during semester testing days. Students who are released must leave the school building and grounds unless they are under direct supervision of school personnel.

The second semester testing schedule is printed in this newsletter. Note that the semester testing schedule will end at 1:30 on both days. All students will be released both days at 1:30 p.m. School lunch will be served on the semester testing days.

The countdown is on for the class of 2011. On Friday, May 13, the graduation ceremony will begin at 7:00 p.m. for the Ponca High School Senior Class. Each member of the class is commended for his/her academic and activity achievements and wished a bright future!

10 tips
MyPyramid
Nutrition Education Series

be a healthy role model for children

10 tips for setting good examples

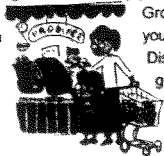

You are the most important influence on your child. You can do many things to help your children develop healthy eating habits for life. Offering a variety of foods helps children get the nutrients they need from every food group. They will also be more likely to try new foods and to like more foods. When children develop a taste for many types of foods, it's easier to plan family meals. Cook together, eat together, talk together, and make mealtime a family time!

1 show by example

Eat fruits, vegetables, and whole grains with meals or as snacks. Let your child see that you like to munch on raw vegetables.

2 go food shopping together

Grocery shopping can teach your child about food and nutrition. Discuss where fruits, vegetables, grains, milk, and meats come from. Let your children make healthy choices.

3 get creative in the kitchen

Cut food into fun and easy shapes with cookie cutters. Name a food your child helps make. Serve "Janie's Salad" or "Jackie's Sweet Potatoes" for dinner. Encourage your child to invent new snacks. Make your own trail mixes from dry whole-grain, low-sugar cereal and dried fruit.

4 offer the same foods for everyone

Stop being a "short-order cook" by making different dishes to please children. It's easier to plan family meals when everyone eats the same foods.

5 reward with attention, not food

Show your love with hugs and kisses. Comfort with hugs and talks. Choose not to offer sweets as rewards. It lets your child think sweets or dessert foods are better than other foods. When meals are not eaten, kids do not need "extras"—such as candy or cookies—as replacement foods.

6 focus on each other at the table

Talk about fun and happy things at mealtime. Turn off the television. Take phone calls later. Try to make meals a stress-free time.

7 listen to your child

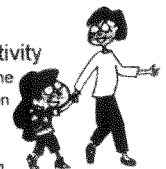

If your child says he or she is hungry, offer a small, healthy snack—even if it is not a scheduled time to eat. Offer choices. Ask "Which would you like for dinner: broccoli or cauliflower?" instead of "Do you want broccoli for dinner?"

8 limit screen time

Allow no more than 2 hours of TV a day, as recommended by the American Academy of Pediatrics. Get up and move during commercials. Get some physical activity and avoid the marketing.

9 encourage physical activity

Make physical activity fun for the whole family. Involve your children in the planning. Walk, run, and play with your child—instead of sitting on the sidelines. Set an example by being physically active and using safety gear, like bike helmets.

10 be a good food role model

Try new foods yourself. Describe its taste, texture, and smell. Offer one new food at a time. Serve something your child likes along with the new food. Offer new foods at the beginning of a meal, when your child is very hungry. Avoid lecturing or forcing your child to eat.

Notes from the Elementary Principal,

We have come to the end of another school year and it just doesn't seem possible. The year has gone by so quickly. It has been a very smooth year for Jackson & Ponca Elementary. We hope you have seen the progress we have seen throughout the year.

We have many events coming in May.

-May 6th is the Elementary Field Day in Ponca. Students will leave Jackson at 12:30. Parents are invited! If you plan to take your child after the field day events please notify their teacher so we can make sure we're accountable for everyone.

- May 17th is Pre-school graduation at 7:00pm in Jackson.

-May 19th is the 3 thru 6 elementary concert at 7:00pm in Ponca.

-May 23rd is kindergarten graduation @ 7:00pm in Jackson.

-May 23rd & 24th we will have a 1:10 dismissal at Jackson. May 24th will be our final day of school.

Classroom assignments for the 2011-2012 school year will be sent out in the August newsletter.

There are still openings remaining in the pre-school. If you missed open house you can still enroll your child by calling the Jackson School at 402-632-4276.

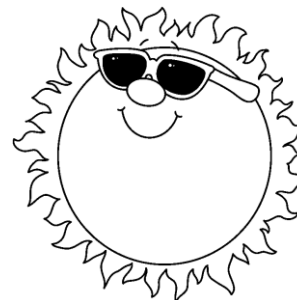

Students have been bringing electronic games/devices to school to use during recess, before and after school. These games/devices have games that depict violence and the use of weapons to injure or kill characters in the game. We understand the choice for students to possess these games is up to the parents, but because of the nature of these games they are no longer allowed to bring games/devices in school. Thank you for your understanding.

The elementary is saying good-bye to two outstanding teachers this spring. Mrs. Hogan is retiring after a long career in education. Miss Roemen is getting married and moving to Omaha. We wish them all the best and will truly miss them.

The new second grade teacher next year will be Mrs. Sprakel. Mrs. Sprakel is moving from the Jr High/High School to second grade. We are very excited to welcome Mrs. Sprakel to the elementary. We will hire a new pre-school teacher shortly.

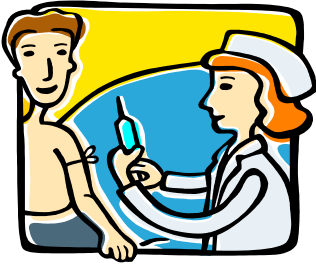

On a personal note, I would like to thank the students, the staff, the parents, and the community for all their support and hard work to make this year so successful. I truly enjoy my time as elementary principal. You could not pick a better student body or staff to work with, thank-you!

Have a great summer and we will see you August 17th!!

AFTER PROM 2011

Saturday April 9th, 2011 was the setting for the Ponca 2011 Junior/Senior Prom hosted by the PHS Junior Class and sponsors. The theme for the evening was "Neon Nights." The Grand March was held at Ponca High School with the Juniors and Seniors and their escorts / dates parading for all to admire their beautiful attire. Emcee for the evening was Mr. Thompson. The prom dance was held at Ponca State Park. Following the dance, students were entertained at ProBowl in Vermillion at the annual After-Prom party hosted by parents. The evening included pizza, pop, games, magician, and prizes. The After-Prom party is organized and sponsored by concerned parents in order to provide a safe, memorable evening for the benefit of our students.

A VERY SINCERE THANK YOU to EVERYONE (area businesses, community members, parents, family members and anonymous donors) who supported and made the evening possible for our students.
