Information from Joan M. Reznicek, Superintendent of Schools

The 2012-2013 school year is near completion, yet, many important educational days are ahead of us with emphasis on the NeSA (Nebraska State Accountability) test dates. The NeSA test scores are publicized in all of the major newspapers in the State of Nebraska during the fall. Not only are the test scores published, the test scores can be used as an indicator for the amount of funding Ponca Public Schools receives from the Federal government and the State government. As patrons of the Ponca Public School District, we want ALL of our students to be well prepared to perform well on those crucial test days. The preparation starts at home with the correct amount of sleep (8 to 10 hours) and a nutritional breakfast in the morning. As educators, we value our students and will continue to encourage each student to come prepared for the tests and to perform well.

With the summer vacation months just around the corner, make your plans now to continue the learning process with your child. Elementary parents, please continue to work with your child throughout the summer months with their math facts, reading and spelling. Use everyday experiences as learning tools. Have your child read during the summer months by going to the city library to check out books. Getting a subscription to a child's magazine would also be a great resource. Visit the Ponca State Park for nature learning experiences for your child. Promote our community by using the resources we have within our own community. By helping your child throughout the summer months, it will help to retain the information they have learned over the present school year, plus your child will have a stronger start to the 2013-2014 school year.

Finally, as we enter the season of various school Proms and Graduations, I ask that you please remind your child to be responsible and careful. Too many times, communities have suffered from a needless accident that took the life of a young person.

Looking for Volunteers

The athletic department is looking for volunteers to help with the HOME track meets on Tuesday April 23rd, and Saturday April 27th.

If you have some time and would like to help, please contact

Bob Hayes, Troy Evans, or Jamie Hamar

at (402) 755-5700. Thanks!!!

**Mark your calendars....Elementary Field Day
is scheduled for May 3rd at 1:15
this will include Jackson and
Ponca Elementary students!!**

Notes from Ms. Kinas...

Golf, track, music contests, music concerts, field trips . . . it is the season of the school year when students may find themselves out of the classroom at an activity more than in the classroom learning. For students who are involved in the many spring activities it can be stressful juggling their academics with their activities. Whether the student is in the classroom or at an activity, the expectation is the student will stay focused and keep up with their academic courses and end the school year strong.

The month of March found students in grades 2-11 MAP testing. MAP stands for the Measure of Academic Progress. Your child received a card with his/her spring 2012, fall 2012 and spring 2013 MAP scores. Teachers challenged students to work hard to improve their scores. I am pleased to report that many students saw gains in their scores at the spring testing. Ask your child to see the MAP Growth card and look for areas in which your child grew.

Students in grades 3-11 will be taking the Nebraska State Assessments in April. Students in grades 3-8 and 11 will take the assessments in reading and math. Students in grades 5, 8 & 11 will also take state assessments in science. This year all state assessments in grades 3-8 and 11 are given on line. Student results from the state assessments will not be available until the fall 2013.

Before the school year ends, students in grades eight through eleven will be pre-registering for classes for the 2013-2014 school year. Each student is required to show a parent the completed pre-registration form. The pre-registration form must then be returned to the school with the parent's signature before the classes selected by the student will be considered for his/her 2013-2014 class schedule.

Parents and students are reminded that the school only provides for supervision of athletes at track and golf meets. Therefore a student who is not on the team will only be released from school to attend the event if the student is with a parent or guardian. All students must be pre-excused before 9:00 A.M. to attend or participate in a school activity.

Congratulations are extended to Lauren Conrad, Christiana O'Neill, Dustin Brewer, Ethan Swick, and Lauren Brickett. These five musicians practiced, auditioned for, and were selected for Class C All State Band. They, along with Ponca band director Mr. Keefe, traveled to Kearney, Nebraska to join the other Class C All State Band participants for a day of rehearsal and an evening performance.

Notes from Mrs. Hassler...

ACT Test Date

The next administration of the ACT College Entrance Exam is set for Saturday, April 13, 2013.

Any student who has registered for this test date is reminded to take time to prepare for the assessment. Tips for taking the ACT include: take a practice exam, "brush-up" on English and math basics, get a good night's sleep, wear comfortable clothing, be sure to bring your admit ticket (which you should have received from ACT through the mail when you registered), a photo ID (driver's license), and several sharpened #2 pencils.

Think "POSITIVE"! GOOD LUCK!!

Elementary News

Spring has arrived, which means there is about 2 months until the end of school. The school year has gone so fast, it seems like yesterday we were preparing for the students to walk in the door.

Preschool open house is set for Thursday, April 4th at 6:00pm. The school board has set tuition for next year at \$12.00/day. **Only children 4 years old and not age eligible for kindergarten can attend preschool.** If you are considering preschool for your child please plan to attend. The evening is designed to answer any questions you might have about pre-school. In April many of the elementary classes will be participating in NeSA testing and AIMS Web testing. These tests give us valuable data about the education being provided by Ponca Public School. Please visit with your child about the importance of the testing.

On May 3rd we will have our annual field day at the athletic field. Jackson Elementary will be attending the elementary field day in Ponca. The field day begins at 1:15pm at the football field. The students will participate in a number of exciting events. Parents are encouraged to attend.

Our spring concerts are April 30th at 7:00 pm for the Jackson Elementary students and May 13th at 7:00pm for the Ponca Elementary students. Both concerts will be held in the gymnasium in Ponca. The students have been working hard to make this the best concert ever. Please make plans to attend and see the future stars of American Idol!

This is the time of year when some students seem to slough off with their school work. The weather is nice and because of daylight savings time the day is longer. Summer baseball and soccer are beginning and outdoor activities increase. Please make sure your child does not neglect their school work and continues to get enough sleep. It is important to finish the school year strong.

The next school board meeting is April 15th in Ponca at 7:30pm.

NATIONAL HONOR SOCIETY

On Thursday evening, April 25, 2013, 7:30 p.m., new nominees will be recognized and inducted into the Ponca Chapter in a formal National Honor Society Ceremony at the Ponca School Fine Arts Facility.

Ponca Public School's National Honor Society is a local chapter which is established according to the nationwide National Honor Society organization. National Honor Society was founded in 1921 as an organization which would recognize and encourage academic and citizenship qualities in students. National Honor Society continues its traditions in the 21st century.

Membership in National Honor Society is open to sophomores, juniors, and seniors who have a cumulative scholastic average of 85 percent or above and who demonstrate the qualities of service, character, and leadership. Students carrying a scholastic average of 85 of above are invited to an informational meeting to learn more about National Honor Society. Only those students who complete and return an information sheet by the deadline will be considered for nomination in the National Honor Society. A faculty council comprised of five teachers review and discuss each student's information sheet, attendance and discipline records, and teacher questionnaires. Private ballots are cast by the faculty council, and those students receiving three out of five "yes" votes are then received as members into National Honor Society.

Every spring, students have the opportunity to be nominated for induction into Ponca High School's local National Honor Society chapter. Selection guidelines and expectations were presented to those eligible 10th, 11th, and 12th grade students who expressed an interest by attending the information meeting on February 14, 2013. In order to be considered for nomination, students returned their completed information sheets to Mr. Gehring by 4:00 p.m. on March 13, 2013.

Requirements for Upcoming Kindergarteners, 7th Graders and Graduates

Attention Upcoming Kindergarten and 7th Grade Students

Students entering kindergarten and seventh grade in the 2013-2014 school year must meet the following state requirements;

Kindergarten Students need;

1. A **certified birth certificate**, the one obtained for a fee from the state your child was born in. Generally it has a raised seal and state identification number on it. They are available over the internet or by going to the courthouse in the county your child was born in.
2. A **physical exam**
3. A **visual examination** within six months prior to the entrance of school. This test needs to include testing for amblyopia (lazy eye), strabismus (misalignment of the eyes), as well as external and internal eye health. Reading the eye chart at the doctors office **does not** meet state requirements. Some physicians do not do extensive eye exams, in that case, you will need to make an appointment to see an eye doctor.
4. **Kindergarten shots**. There are several vaccines that your child will need prior to entering kindergarten. They also need 2 doses of varicella if they have not had the chicken pox disease.

7th Graders;

1. A **physical exam**
2. A **tetanus booster**

Attention Senior Parents,

Your child will soon be graduating and several students will be heading off to college in the fall. This is a perfect time to make sure your child's immunizations are current. The two vaccines that are recommended at this age are:

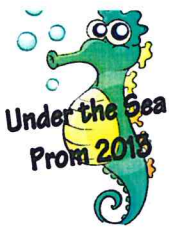

- 1.) A **tetanus booster (Td)**- which contains tetanus and diphtheria. Bacteria cause both tetanus and diphtheria. Tetanus enters the body through cuts or wounds, where diphtheria is spread from person to person.
- 2.) **Meningococcal Vaccine**-meningococcal disease is a serious illness, caused by bacteria. It is the leading cause of bacterial meningitis in children 2-18 years old. Meningitis is an infection of fluid surrounding the brain and spinal cord. Anyone can get meningococcal disease, although college freshmen that live in dormitories are at higher risk of obtaining it.

Many colleges require these vaccines prior to entrance. I strongly recommend your child receive these vaccines, even if they aren't required.

. **Goldenrod Hills Immunization Clinic is held in Ponca this summer on May 14th and July 9th from 11am-2pm. Dakota County Immunization Clinics are held May 9th & 16th, June 6th & 20th, July 11th & 25th, August 1st, 8th, & 15th. Please call for appointments.

*****These state required items MUST be handed in by the first day of school, or your child will be sent home until we have the records on file.**

If you have any questions, please contact Mrs. Herfel at the school Tuesday and Thursdays at 755-5700

INFORMATION AND GUIDELINES FOR PONCA HIGH SCHOOL'S PROM DANCE & AFTER PROM 2013

Parents: Please make sure your son/daughter has purchased a
park sticker prior to the dance date/time!

The purpose of the following information is to familiarize parents, guardians, Ponca students and outside dates with the guidelines and procedures for Ponca High School's Prom and After Prom Party. Our objective is for all of our students and guests to have an enjoyable, drug-free and safe evening.

1. A Prom Dance will be held at Ponca State Park Visitors Center on Saturday, April 6th from 8:00 P.M. to 12:00 P.M. for Ponca students in grades 11 through 12 and for their outside dates whose names are registered in the Principal's office by 4:00 P.M. on Friday, April 5th. A Grand March will be held for Seniors and Juniors and their dates at 7:00 P.M. at the Ponca High School Auditorium and everyone is welcome.
2. The Prom Dance will be chaperoned by the Junior class sponsors, the Principal, and other teachers. A police officer will also be on hand from time to time to check on the Prom Dance. If enough teachers are not available to help sponsor the dance, it may be necessary to ask some parents to help out.
3. A Ponca student who has an outside date will be responsible for explaining the rules to their date, and their date will be responsible for following these rules.
4. Juniors and Seniors and their dates will be admitted to the Prom Dance free of charge.
5. Juniors and Seniors and their dates who attend the Prom Dance are required to wear formal attire or they will not be admitted to the dance. This means a formal or dress for the girls and a tuxedo or suit and tie for the boys. This means no blue jeans, shorts, T-shirts, caps, etc.
6. All students who plan to attend the Prom Dance must be at the park by 9:30 P.M. or they will not be permitted to the dance. Any Ponca student or their date that leaves the Prom Dance before it's over, must sign out before they leave the dance and will not be permitted to reenter.
7. If a Ponca student or their date practices unacceptable behavior at the Prom Dance, their parents will be called, and the offender will be required to leave with their parents. If a student is told to leave the Prom Dance, they will not be permitted to attend the After-Prom Party.
8. Ponca students and their dates attending the Prom Dance will be subject to an alcohol breath test by an off-duty police officer prior to admission to the dance.
9. If any Ponca student and/or their date has been drinking or using any form of drug or tobacco, their parents or guardian will be called immediately to come to dance location to be present for a breathalyzer test on their son or daughter and to take them home if they have been drinking or using any form of drug or tobacco. Any student who tests positive for alcohol or drug use will be subject to prosecution by the law as well as being disciplined by the school for violating school rules which apply to the situation.
10. As of January 1, 1994 a new zero tolerance law went into effect in Nebraska which basically states that any minor who gets caught driving while they are under the influence of alcohol of any amount, can have their driver's license revoked on the spot for 30 days.
11. After-Prom Party will be held at the Ponca School Gym from 12:30 A.M. to 5:00 A.M. for students in grades 11-12 and their dates. Students must arrive & be breathalyzed at the door by 12:30 A.M. A student may attend the After-Prom Party even if he or she does not attend the Prom Dance. All students who plan to attend the After-Prom Party must register and pay \$5.00 per person in the Guidance Office with Nancy Walsh by 4:00 P.M. on April 5th.
12. Students who plan to attend the After-Prom Party will be given an half hour to change clothes and drive to Ponca School Gym in Ponca, Nebraska.
13. If a student is registered to attend the After-Prom Party, and they do not show, their parents will be notified to let them know that their son or daughter did not arrive.
14. Any student who leaves will NOT be allowed to return, and parents will be contacted.
15. Every student entering Ponca School Gym will be breathalyzed at the door. They will be subject to the same rules, procedures, and prosecution as a person attending the Prom Dance in case of drug, alcohol, or tobacco use or unacceptable behavior.
16. If you have any questions concerning these guidelines, please call the Ponca Public School telephone number at 402-755-5700.

College Planning Bulletin

A monthly college planning guide for Nebraska high school students

April 2013

Seniors ... it's decision time!

It's time to decide which college you will attend. Follow our advice to find the right fit for you.

First, gather and compare your college acceptance notifications, financial aid award notifications and campus visit notes. Consider items such as:

Location – Is the college too close? If you come home every weekend, you won't experience true campus life. Is the college too far away? If so, you may not make it home as often as you'd like.

Cost – Can your family afford the school? What can you expect for financial aid beyond your freshman year? Did you receive renewable scholarships? How much in student and parent loans will you need to cover expenses?

Academic program – Does the college offer the program that interests you? What happens if you change majors? Does the college offer other programs that interest you?

Student life – Does the school offer activities you will enjoy? Do you like the living arrangements provided by the school? Will you have an opportunity to work on or near campus?

Visit EducationQuest.org for college selection tools including the [Award Letter Comparison Calculator](#), the [College Comparison Calculator](#), and information about [student and parent loans](#).

Juniors ... start looking for scholarships

Follow these tips to begin the scholarship application process:

Start searching! In addition to your guidance office, visit free online sites including [ScholarshipQuest](#) at EducationQuest.org with over 2,000 local and state scholarships. Other sources might include your parent's employer, your employer or local service organizations.

Create files and place scholarship applications in deadline order.

Get involved in extracurricular activities and community service. This is a critical component for many scholarships. Track your involvement with EducationQuest's [Activities Resume](#).

Do your best to get good grades in school and good scores on ACT/SAT exams. These factors are especially important for college-based scholarships.

Determine if you will qualify for need-based scholarships by completing the [College Funding Estimator](#) at EducationQuest.org.

Learn about scholarships and tuition assistance programs offered by colleges that interest you. Programs such as [Collegebound](#) at the University of Nebraska and [Advantage](#) offered by the Nebraska State College System cover the cost of tuition if you meet income and academic criteria.

Scholarship warning...

If you receive offers for scholarship and financial aid services, investigate them if they charge a fee. EducationQuest will help you complete financial aid forms for free and will guide you to free [scholarship resources](#). To learn more, talk to your school counselor or contact EducationQuest.

APRIL 2013

Are you new to the Ponca School District or have a new baby in your household?

The school district is required to conduct an annual census every June for children age 0-21. These census numbers are used by the Nebr. Department of Education for State Aid and for federal funding.

This list is also used to invite children who are at the age to begin school to the Spring Kindergarten Roundup.

Please contact Lorrie Huston or Lisa Hohenstein at the school (402)755-5700 with the children's names, birthdates and genders.
