Information from Joan M. Reznicek, Superintendent of Schools

It does not seem possible that the first semester of the 2014-2015 school year is nearly completed. With only three weeks between the Thanksgiving and Christmas vacation, the students must finish these last weeks of the first semester with a serious approach of completing homework on time and studying for all tests including the semester tests. With the **improved** NeSA test results from last spring, every student needs to understand the tremendous importance of the work completed in school no matter the grade level, but especially the high school students. Not every student may earn a four-year college degree or a two-year community college degree, yet, it is important to establish a dedicated work ethic needed to enter the work force.

School Lunch – We have several people with outstanding lunch bills which create problems for the school. The food distribution companies do not allow the school to be delinquent on our bills, so please stay current with your child's lunch bill so we can stay current with our bills. **Please use Power School to monitor your child's lunch bill.**

The first semester ends on Friday, December 19th with students dismissed at 1:10 in Jackson and 1:30 in Ponca. School reconvenes on Monday, January 5, 2015.

We have already experienced the cold wintery days with early snow fall. Please make sure your child is dressed appropriately to drive to school along with having a winter survival kit in his/her vehicle. Elementary children need to have a coat, mittens/gloves, boots, and head covering to stay warm during outside recess.

Remember the winter weather may force the closure of school, a late start, or an early dismissal. Please watch for school announcements on the local T.V. stations. Also, any phone number(s) or email address given to the school as an emergency contact will receive a message for the SchoolReach Calling System with regard to the cancellation of school. Please listen to the SchoolReach message **first** rather than calling the school immediately as we need to keep the phone lines open for emergency usage.

With all of the school activities and the requirements of the classroom, please make sure your child receives a sufficient amount of sleep every night. An elementary child needs 9 to 10 hours of sleep every night. A Jr.-Sr. High student needs 7 to 8 hours of sleep every night. The most important aspect is keeping a routine as to when your child goes to bed every night **without** the cell phone, computer, I-Pad, and/or television.

Varsity team members Rachel Lux, Lauren Brickett, Masin Fethkenher, and Jake Masin placed fourth in the competition and J.V. team members Jack Charlson, Joel Beacom, Carin Mellick and Samuel Brickett placed third. Good job Quiz Bowl teams!

Selected instrumental music students will be traveling to Wayne State College in January. The Lewis and Clark Conference Instrumental Music Festival is scheduled for January 24, 2015, at Wayne State College. During the day students will be rehearsing with a guest clinician to prepare for an early evening concert. Everyone is invited to attend the conference festival concert at 4:30 p.m. in the Ramsey Theater on the Wayne State College campus.

Good sportsmanship is as an important part of playing the game as the final score. Every fan is responsible for displaying good sportsmanship at athletic events. These responsibilities include 1) Understanding and appreciating the rules of the contest, 2) Displaying positive behavior at all times, 3) Recognizing and applauding the skilled performances of all players regardless if they are on the home or visiting team, 4) Respecting and abiding by the decisions of the officials, 5) Demonstrating respect for the visiting team at all times and 6) Displaying pride in your actions at every opportunity. Whether you're the player on the court or the fan in the stand, "Success is peace of mind knowing you did your best" --John Wooden. **Go Big Blue!**

News from Mr. Hayes, Elementary Principal

The holiday season has arrived and it is a busy time of year. We hope everyone has a Merry Christmas and a Happy New Year!

We are in a constant battle with the flu. **If your child is not feeling well please do not send them to school.** We have a number of students come to school running a temperature or complaining of stomach flu before school begins. If your child has vomited the previous evening or the morning of school it's probably an indicator not to send them to school. The standard rule from health care officials is: **a child should be fever free and have not vomited for 24 hours before returning to school.** Please make a special effort to check students before they return to school; this will help keep the flu from spreading.

Although it is a busy time of year, the end of the 1st semester is approaching very quickly. The semester ends on December 19th. Students need to remain focused on academics and finish the semester with a strong academic performance. We will begin the 2nd round of MAP Testing the week of Jan. 12th please make sure your child gets plenty of rest.

With the winter season upon us, we are asking parents to make sure their children have the following items with them at school: **boots, hat, coat, snow pants, and gloves.** Please dress students appropriately for a normal winter school day; flip-flops, shorts, spaghetti-strap tops, and no socks are not appropriate attire for winter weather. The students go outside for recess on most days and winter clothing items are essential.

Basketball season is upon us and we want to remind parents that students must sit down at the games. If students are allowed to run around it creates a dangerous situation for players, referees, students, and spectators. Please make sure your child is seated and watches the games. If your child is asked to sit down more than once during a game they will be required to sit with their parents. Please realize the safety of everyone in the gym is of the utmost importance.

Many different teams and individuals have reserved the gym for various activities in the next few months. Please remember to respect school property and supervise everyone that enters the building during your scheduled time. The school equipment will not be available during these times. Please bring your own equipment for practices and activities.

HAVE A MERRY CHRISTMAS AND HAPPY NEW YEAR!!

Notes from the High School Guidance Office....

On Monday, December 8, 2014, at 6:00 P.M., a representative from Education Quest Foundation (Omaha, Nebraska) will present a financial aid workshop for students in grades 9-12 and their parents. The meeting will be held in the Commons Area of Ponca School. While the first part of the session will include general financial aid information for all grade levels, the second part of the meeting is specifically designed for seniors and their parents. Since financial aid is a critical component of post secondary education, any student considering training beyond high school, would benefit from this meeting. Discussion will include how to complete the Free Application for Federal Student Assistance (FAFSA). Please mark your calendars and make plans to attend. **SENIORS & PARENTS: This is an excellent local opportunity for you to learn about the FAFSA process.**

7-12 Parents:

Be sure to check the 7-12 Guidance icon on the school's webpage. We will be posting information on college, scholarship, and career opportunities on this page. Additionally, there will be articles of interest regarding personal and career information for your children. You will want to check it weekly. Thanks!

PARENTS: Are you looking for great summer academic camps for your kids in grades 8-11?

The test is an actual ACT assessment which includes the following sections: English, Mathematics, Reading, Science, and Writing.

--Registration is scheduled from 7:30 A.M to 8:00 A.M.

--Testing begins at 8:00 A.M. and should be completed by 1:00 P.M.

Juniors need to pre-register for the **practice ACT** test by Wednesday, January 7, 2015, at 3:45 P.M. Students pre-register in the high school guidance office. Testing will take place in Mr. Gehring's Room at Ponca High School. The test will be proctored by Mrs. Hassler.

HOBY Leadership Workshop

Ponca School Sophomore Parents: Great Leadership Opportunity for your Son or Daughter

It is time for Ponca School to nominate two outstanding sophomore leaders to participate in the Hugh O'Brien Youth Leadership (HOBY) Workshop scheduled for May 29 – May 31, 2015, at Hastings College in Hastings, Nebraska.

As the nation's foremost youth leadership development organization — with more than 345,000 alumni — HOBY invites schools from every state in the nation to select a young student (sophomore) to attend a three-day interactive conference on leadership. During the conference students are introduced to distinguished leaders of business, technology, education, arts, science, media, and non-profit. HOBY participants enhance their leadership skills and discover that they are not alone in their desire to lead and to make their schools and communities better places.

Ponca High School sophomores are indeed fortunate as the participation in the conference is sponsored by the Bank of Dixon County. The BDC pays the \$150 registration fee for the two students and also provide one \$50 stipend to help defray travel expenses to the conference.

All sophomores are given an application to complete. Those students who return the completed application by the deadline are eligible for selection. A panel of P.H.S. teachers review and score the applications. The top two (highest scoring) applicants are then nominated to attend the conference. Ponca School can select two nominees and one alternate.

Ponca sophomores received the applications on Friday, November 21, 2014, and completed applications are due to Mrs. Hassler by Wednesday, December 10, at 3:40 P.M. Late applications will not be accepted. Parents please encourage your son or daughter to apply for this great leadership opportunity. Reference Website: www.hoby.org
