

Our school partners with [OnToCollege](#) to strengthen our students' college and career readiness culture through effective test prep (grades 6-12) and college counseling tools. Together, our mission is to help create two- and four-year college graduates with minimal debt.

OnToCollege video test prep courses have a proven track record of increasing ACT/SAT scores and scholarship dollars for students. We will offer the course in school leading up to the test. Students can also use any of the additional resources on the website. These include additional subject prep, practice questions, quizzes, full length tests, and more test-taking strategies.

It's our goal to maximize our students' chances to get into their best-fit college at the lowest cost and become a college graduate with minimal debt. To get started, log in at prep.ontocollege.com.

Follow along with OnToCollege on social media or [stay tuned on their blog](#) for additional college resources.

OnToCollege Suite customers should also include:

College Counseling: We also offer valuable college counseling resources to students and families through OnToCollege. These include middle school to senior year checklists, college comparison guides, academic resumes, and more. All these resources are geared to help students and families make the best financial and academic decisions.
